

## Garmin Nuvi 205

Portable and affordable, the Nuvi 205 is your personal travel assistant for life on the go. Based on our top selling Nuvi 200 model, these units deliver enhanced functionality and an improved User Interface at a marginally higher price point – ideally suited to the budget conscious customer who desires more than an entry level model.

### Product Highlights include:

- Super fast first fix through predictive satellite orbital calculation
- Photo navigation via Garmin Connect
- Automatic time zone calculation
- Improved route previewing
- Improved Map refreshing

### Navigate With Ease

The Nuvi 205 comes preloaded with Garmap Africa Series 2008 Southern Africa Streetmaps map data. Simply touch the color screen to enter a destination, and the Nuvi takes you there with turn-by-turn voice directions, 2D or 3D maps and smooth map updates as you navigate. Digital elevation shows shaded contours for an understanding of the surrounding terrain. In addition, the Nuvi 205 accepts custom points of interest (POI's), such as school zones and safety cameras and lets you set proximity alerts to warn you of upcoming POI's [Safety Camera information is available for download from the Garmap website at [www.garmap.co.za](http://www.garmap.co.za)]. With HotFix satellite prediction, the Nuvi 205 calculates your position faster to get you there quicker.

### Enhanced navigation

The Nuvi 205 comes with photo navigation to revolutionise your sightseeing. Plan trips to landmarks and attractions simply and easily before you set off. Choose and save location-tagged photographs from millions of [Google Panoramio](http://Google Panoramio) pictures in a wish-list of places to visit. Then, at your leisure, select a photo destination on your Garmin for turn-by-turn directions straight to the scene.

Other built-in travel tools include a JPEG picture viewer, world travel clock with time zones, a currency and measurement converter, calculator and more.

### Customise

Personalise your Nuvi 205 with your choice of background photograph. To customise your screen further, select a new vehicle icon from the [Garmin Garage](http://Garmin Garage). With a wide range of wheels including off-road vehicles, motorbikes and classic cars, you can now tailor your Garmin to suit your style.

Enhance your travel experience with optional plug-in MicroSD cards such as Garmin Travel and Language Guides.

### **Compact, Bright Navigation**

The Nuvi 205 has a sleek, slim designed to fit comfortably in your pocket or purse. Its rechargeable lithium-ion battery makes it convenient for navigation by car or foot with up to four hours usage between charges.

View map detail, driving directions, photos and more in bright, brilliant colour. The sunlight-readable 3.5 inch display on the Nuvi 205 is easy to view - from any direction.

With its "Where Am I?" emergency locator, you always know your location. Simply tap the screen to get your exact latitude and longitude coordinates, the nearest address and intersection, and the closest hospitals, police stations and fuel stations.
