

Garmin Nuvi 215W (Wide Screen)

Simple, safe and affordable with Bluetooth hands-free phone calling, the Nuvi 215W is your personal travel assistant for life on the go. Packed with loads of Points of Interest (POI's) and Southern Africa Streetmaps, the 215W is compact, versatile and easy to use.

This simple, safety-minded regional navigator leads the way with turn-by-turn directions and a unique, advanced safety camera warning system to help you find the best route and stay safe on the road. Give the drive your full attention with hands-free phone calls through the integrated speaker and microphone.

Simply dial numbers with the Nuvi's touchscreen keypad to make a call. To answer calls, just tap the screen and speak directly into the built-in microphone. Simple and Safe. Supplied with Garmap Africa Series 2008 Southern Africa Streetmaps you are provided with more than 675,000km of routable road data across nine different countries (South Africa, Namibia, Botswana, Zimbabwe, Mozambique, Swaziland, Lesotho, Zambia and Malawi), more than 150,000 points of interest (POI) as well as routable roads and tracks for 55 game reserves and parks in South Africa, Botswana, Zambia and Malawi.

Product Highlights include:

- 9.7 x 5.7cm (10.9cm Diag) Wide Screen Display
- Bluetooth connectivity & functionality
- Super fast first fix through predictive satellite orbital calculation
- Photo navigation via Garmin Connect
- Automatic time zone calculation
- Improved route previewing
- Improved Map refreshing

Make hands-free phone calls

Keep your eyes on the road and both hands on the wheel with the Nuvi 215W's integrated Bluetooth wireless technology, microphone and speaker. Just pair with your compatible mobile phone and talk hands-free through the Nuvi 215W. Simply dial numbers using the Nuvi's touchscreen keypad and answer calls in a tap of the screen. Enjoy convenient one-touch dialing for contacts and points of interest and drive safely and legally.

Simplicity and safety

The Nuvi 215W comes preloaded with Garmap Southern Africa Streetmaps mapping. Simply touch the colour screen, key in your destination and the Nuvi takes you there with turn-by-turn spoken directions and smooth moving maps. Digital elevation detail shows shaded contours for a better understanding of your surrounding terrain. In addition, the Nuvi 215W accepts custom points of interest (POI's), such as school zones and safety cameras and lets you set proximity alerts to warn you of upcoming POI's [Safety Camera information is available for download from the Garmap website (www.garmap.co.za). With HotFix satellite prediction technology, the Nuvi calculates your position faster to get you there quicker.

'Where Am I?' gives you details about your position on demand. Simply tap the car icon for your exact latitude and longitude coordinates, nearest address, contact details for your appropriate vehicle recovery service and directions to nearby hospitals, police and petrol stations.

The Nuvi 215W also comes with Garmin Lock, an inventive anti-theft protection system that uses GPS technology to safeguard the Nuvi by locking to a secure location of your choice. Just return to the location to unlock.

Enhanced navigation

Redefine your sightseeing with photo navigation and get there in a snap! To plan trips to landmarks and attractions simply and easily before you set off, choose and save location-tagged photographs from Google Panoramio on your Nuvi in a wish-list of places to visit. Then, at your leisure, select a photo destination for turn-by-turn directions straight to the scene.

Other built-in travel tools include a JPEG picture viewer, world travel clock with time zones, a currency and measurement converter, calculator and more.

Customise

Personalise your Nuvi 215W with your choice of background photograph and select a new vehicle icon from the Garmin Garage. With a wide range of wheels including off-road vehicles, motorbikes and classic cars, you can tailor your Garmin to suit your style.

Enhance your travel experience with a range of plug-in SD cards such as the Garmin Travel and Language Guides and bring your journeys to life with trusted guides.

Portable bigger picture

The Nuvi 215W has a sleek, slim design to fit comfortably in your pocket or bag. Its rechargeable lithium-ion battery makes it convenient for navigation by car or foot with up to 4 hours' usage between charges.

View map detail, driving directions, photos and more in bright, brilliant colour. The sunlight-readable 4.3-inch display is easy to view - from any direction.

Package Includes:

- Nuvi 215W
- Preloaded SD card with Garmap Africa Series 2008 Southern Africa Streetmaps
- Vehicle power cable
- Suction cup mount
- Dashboard disc
- Quick start manual
